

# Missouri Department of Conservation

## First Turkey Award Entry Form

The First Turkey Program, sponsored by the Missouri Department of Conservation, is designed to commemorate that special moment in every hunter's career, the harvesting of their first turkey. For that moment, nothing else matters, only the successful hunt of that first turkey. The First Turkey Award is an attempt to immortalize that moment by presenting hunters with a framable certificate identifying the hunter, the turkey and other details of that special moment.

Name (Please Print) \_\_\_\_\_

Address (street or box number) \_\_\_\_\_

City, State, Zip \_\_\_\_\_
